

## ***Bremerton Pilots Association Memorial Scholarship***

The Bremerton Pilots Association is offering a supplemental Scholarship for young men and women in the greater Kitsap Peninsula area who have the desire to obtain a Private Pilot License. This Scholarship is made possible through donations and fund raising activities by the Bremerton Pilots Association, the Port of Bremerton, and our many friends of aviation throughout the community.

Applications are available on the Bremerton Pilots Association web site, or at the Port of Bremerton, located at the Bremerton National Airport. When completed, please return the application to:

Scholarships will provide financial assistance for flight training in increments of \$500.00 to selected students striving to earn a Private Pilot License, and may be renewed subject to requirements on page 2 of the Scholarship application. Matching funds will be disbursed directly to Avian Flight Center upon verification of student attendance and achievement. In the event that a student leaves the flight school before expending the Scholarship funds, Avian Flight Center will return the remaining Scholarship funds to the Bremerton Pilots Association.
