Avian Flying Adventures

See What We're Up To Now!

Avian Flying Adventures

A Unique Program

Conventional flying clubs are plentiful in the Puget Sound region with a goal of offering the *cheapest* hourly costs for flying. However, low cost is just one aspect of the Avian Flying Adventures experience. Read on. We think you'll spot some significant improvements that will make your flying richer, and that's what we're about.

Should I Participate?

The answer is a resounding yes! Here are just some of the many benefits that you will enjoy as a flying partner.

- Low hourly cost of operation of our entire fleet of aircraft. And, earn gift cards just for flying!
- Reduced flight instructor rates. Earn that new rating or certificate at a direct cost savings.
- Already have your instrument rating? Join our ground school for a refresher free of charge.
- Current military? Your spot will be held for you in inactive status while you're serving your country.
- Each of our aircraft is professionally maintained and cared for by a staff of professionals at Avian Aeronautics.

- Our flight line crew offers "Chock to Chock" service. Take an aircraft on your vacation, properly outfitted to meet your needs (fuel load, survival kit, etc...). It's peace of mind for you. Dispatch, preflight and launch!
- Included in your benefits package is a limited liability insurance policy.
- You are a part of a family of flying friends and have a voice in the process. Attend meetings that foster new friendships with people of mutual interests.
- And we have much more in store for you as we move ahead.

A Gathering Place

Undoubtedly, you've seen our large, state of the art facility at Bremerton National Airport that is home to Avian Aeronautics and Avian Flight Center. As a member of our family, you'll have at your disposal a comfortable meeting

place for you and your passengers to congregate in preparation for the flight. While you're

gathering your weather information and planning the trip, your passengers relax in our lobby with a terrific view of the airport activity.

As you're finishing your last minute planning, our professional dispatch crew is busy outfitting *your* aircraft as you need for a great day of flying. We offer a secure area for you to keep your flight essentials like headsets, and we'll be happy to put everything in the airplane for you. Forgot to update your charts for the flight? We'll be sure to have them in the cockpit for your trip.

Maybe you have picnic plans on Copalis Beach. We can prepare a picnic basket with your choice of lunch items. And when you're ready, we'll bring a clean, equipped aircraft right to the front door, ready for you, your friends and family. Preflight and launch. That's time saved!

Service! That's what we're all about at Avian.

Interested?

Come in to Avian Flight Center with any questions that have not been addressed here or on our website at avianflight.com. The coffee's on and our friendly staff is here to help you move into a fun and fulfilling new chapter in your flying life. When you're ready to be catered to, we're ready to work.
